## **Time Frame for Custom Products:**

- 3–4 weeks for Sample\*
- 4 weeks for Production
- 2–4 weeks for Shipping\*\*
- 0.5 weeks for Customs

\* Digital sample process takes 3 weeks. Physical sample process takes 4 weeks including shipping time. Add 3 weeks to process for every additional digital sample, and 4 weeks for every physical sample including shipping time.

\*\* Allow 1 week for regular ground shipping in the United States. Allow 3 weeks for shipping by boat and 1 week for shipping by air (much more expensive).

**Note:** Time for each stage is approximate and is contingent on changes and can vary. Times and stages are assuming that production-ready art is complete and finalized.
